JEFFERSON COUNTY QUILT TRAIL

There are 60+ quilt squares located throughout Jefferson County. Volunteers throughout the county created the squares. All patterns for the quilt squares were chosen by the location resident(s).

The patterns were based on traditional Appalachian designs. There are thousands of quilt patterns, and the pattern seen on the painted quilt square is only "one block" or one small section from an actual quilt. The quilt square is made of wood, and is placed on a structure (i.e. barn) after the pattern is drawn and painted. The square refers to the fact that a quilt square is usually 4'x4' or 8'x8'.

Enjoy the quilt square patterns located throughout Jefferson County. **HAPPY QUILT SQUARE TRAVELING!!!!**

THE ORIGINAL SIX QUILT SQUARES

5. BEAR CLAW WITH STRAWBERRIES (8X8)

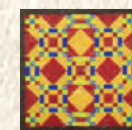

Parrott Family
3173 W. Old A.J. Hwy., Strawberry Plains
It is said that the legs of the settlers' horses were red from walking through the thick strawberry plants! This white barn was built after the turn of the century.

26. SCHOOL HOUSE (8X8)

Appalachian Center, CNC
605 Russell Ave., Jefferson City
The Center was established at Carson-Newman College in 1988. The square was copied from the original quilt which is hanging in the McMinn County Living Heritage Museum in Athens, TN. It was made by Sarah Moore, of slave ancestry, about 1920.

36. BRIDAL PATH (8X8)

Kathleen Garrett
563 N. Chucky Pike, Jefferson City
This farm was purchased by the Garrett family in 1925, and presently cattle are raised on this farm. The members of this family painted the square, and wrote a poem about the process.

40. TALL PINES (8X8)

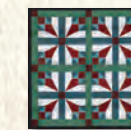

Old Allen-Surrett Hardware
1707 Main St., White Pine
Located in downtown, this building has quite a history of owners, beginning in the early 1900's. The pattern was chosen to honor the town of White Pine.

44. DRESDEN PLATE (8X8)

Jimmie & Kathleen James
1126 Swannsylvaniana Rd., Dandridge
The original quilt, made by Eliza "Pet" E. Chrisman, was in tatters. Her granddaughter, Terri J. Runyan, has made a king-size quilt in the same pattern. The barn was built in 1931, and has been in the family for four generations.

54. STARS OVER TENNESSEE (8X8)

Historic Gass Building
149 E. Main St., Dandridge
Dandridge is the second oldest town in Tennessee! In 1896, the Frank L. Gass & Co. operated as a general/dry goods store. The building now houses a restaurant, general store, and antique shop.

Tennessee Civil War Trails sites can be explored at your own pace, and many offer other historical and recreational opportunities. Let the stories you discover ignite your imagination as you envision how now-peaceful landscapes were once the scenes of the deadliest battles known to man.
